2016 LIMITED EDITION CORE HUX LE

IT WAS NEVER EASIER OR MORE FUN TO GO THIS FAST

In an age when the sweet-sweet smell of premix at the track has become quite rare, Husqvarna Motorcycles is proud to continue pushing new boundaries in 2-stroke design, development and innovation. The latest generation 2016 Husqvarna 2-stroke motocross bikes return the classic thrill of old-school "moto" to the modern era.

[INTRODUCTION]

✓ Hello and welcome to the 2016 Thor British Youth Nationals. Over the next six rounds we expect the championship to be fun, entertaining and packed with the best youth racing you will see in the UK. Motocross is our primary sport at RHL Activities and we are lucky enough to have the best youth motocross talent at our events in 2016.

The first round this year is held at Fat Cat Moto Parc in Doncaster, if you've never raced here before, it's a tough deep sand circuit. Take your time in practice to get to know the track and most of all enjoy your weekend with us.

Part of our priority here at RHL Activities is to encourage new riders into our championship, and this year we have lots of new faces who are racing here at round 1 for the first time at British Championship level, we welcome you guys with open arms and the same for the established riders who have experienced the excitement of the series over the last few seasons.

Since our very first British Youth National in 2012 the growth for the championship is very impressive, we have grown incredibly with riders who want to taste the excitement of British championship racing, the Thor British Youth Nationals is your stepping stone to the professional ranks at the Maxxis British Championship and for some the World motocross championship.

This year we have one of the best riders in the world as part of our team, Shaun Simpson is our BYN Ambassador, he will be available to answer your questions throughout the day at round 1, he's excited at the thought of helping you guys out.

I would like to thank each and everyone of you for your amazing support - and we will continue to grow and lead from the front as the best and most professional youth championship in Europe.

Lets hope its a great weekend for all, and I hope you enjoy your time with us at Fat Cats. SEE YOU ON THE START LINE

WELCOMES YOU TO THE 2016 THOR BRITISH YOUTH NATIONALS //

Hi Shaun Simpson here... Firstly I would like to welcome you to this year's Thor British Youth Nationals, it's going to be a very good season ahead for sure.

2016 has brought a new and exciting challenge for me. I will be the all new BYN Ambassador which will be something new and an exciting task for me.

This is something that has interested me for a couple of seasons now, I raced through this championship as a schoolboy back in the day.

Over a modestly successful career so far I have gained many skills, techniques and pointers that I'm willing to pass down and share with you guys to better your performance and widen your range of access to answers of questions that you may have throughout a racing season.

I want to give something back to the sport and hopefully to our future GP riders. I will be attending the first round of the championship at Fatcat and am looking forward to getting started with it all.

If you have any questions, beforehand that you might want answering please email me direct at shaunsimpson24@rhlactivities.com

Can't wait to hear from you guys

TOM GRIMSHAW

After a nightmare ending to his 2015 season when he suffered ligament damage to his leg at the final round of the Thor British Youth Nationals at Fat Cat Moto Parc, things have moved on for 14 year old Tom Grimshaw.

Hey Tom, a little birdy tells me you're moving up to the 125cc class?

"I had a great time racing my 85cc bike and really I could have gone another year as I am still only 14, but I was getting to big for 85cc so we made the the choice to move up to 125. This would also keep us in line with European competitions and would give me two years racing 125 before moving up to 250F unless, of course I grow out of the 125."

As you say you ended 2015 with a painful injury, explain what happened at Fat Cats as it looked nasty?

"Yes it was a big shame to end my 85cc racing that way. I took a fast left hand corner and stabbed my leg hard into the ground.. At first we thought I had damaged the knee cap but after examination I had over extended the ligaments which was really painful and a brace was fitted."

How long did it take for you to get back riding and what was the rehab like?

"I spent one week sitting on the sofa then six weeks recovering with lots of Physio at Nuffield Health which involved lots of swimming schedules, spin cycling & rowing. I was recovering very quickly which was great and unexpected but knowing the 125 was calling from the workshop spurred me on!. We started out with some slow practice sessions and built it upwards until I felt fully comfortable with my knee. I then had a silly

off and broke four metatarsal bones in my foot, so it was back to the beginning again. Plaster cast for 6 weeks then to Nuffields Health for 6 weeks rehab. All is 100% now (fingers crossed)"

Nice one. Is the plan to just race in the UK in 2016 and build confidence on the bigger bike or are you going into Europe once more, as you seem to enjoy racing there?

"The plan was to do selected 125 Europeans but unfortunately this is not the case as we have signed in for the Yamaha European YZ125 Cup which doesn't allow you to race Europeans this year. As a carrot dangling if you win YZ Cup then Yamaha will take you to Europeans the following year as Full Factory Supported rider, however I will be doing the Dutch Nationals, Selected Internationals & BYN Championship."

You've picked up a few sponsors for this year, what's new?

"I have been very lucky through my racing to be well supported by the top brands within our industry and its great continuing our strong relationship. DBC Motorcycles have come on board and will be supplying me with my bikes which is mega. I have also more private sponsors on board to help with my racing financially which I would like to say a big thank you to everyone who supports me."

kids need power to be usable but mainly smooth.

For the more experienced kids we need a lot of torque and high revving engines.

The development team came up with solutions fitting both riding levels.

A combustion chamber shape is created giving a smooth strong and broad powerband with a sharp and responsive throttle response. a selection of different volumes gives the possibility of moving the powerband from the low to the top end suiting each riding style.

On the RR cylinder head KTM SX65 the original power valve system can be mounted without any problem.

Wanting less stress, a unbreakable power valve, have a look at the all new RR cylinder head KTM SX65 with the RPPS system.

PERFORMANCE PARTS FOR OUR JUNIOR STARS

Float bowl

Engine bog is a very common thing to the KTM SX65 2009 and up. Especially experienced with aggressive riders.

The RR float bowl eliminates bogging due to a fuel baffling system, that keeps a constant fuel supply to the jets. Using extra large ventilation hoses keeps the siphoning process of the carburetor functional during hard riding. We have increased the size of the float bowl plug to enable the main jet as well as the pilot jet to be reached without disassembly the complete float bowl.

[TRACK MAP]

FATCAT MOTO PARC - DONCASTER

We are delighted that we have chosen Fat Cat Moto Parc as our venue for round 1 of the Thor British Youth Nationals. The team at Fat Cats hope you have a successful and enjoyable weekend. In order that we can ensure the safety and enjoyment of yourself, your guests, invitees, competitors, participants and spectators, we ask you to follow a few simple rules and inform anyone to whom this applies to.

[DOGS]

DOGS ARE ALLOWED ON SITE. Please keep them on leads at all times.

[SURROUNDING AREA]

The surrounding fields, farmland, wooded areas are totally out of bounds to everyone. PLEASE KEEP TO THE FAT CAT VENUE.

[LITTER]

Facilities will be in place - PLEASE USE. The paddock / pit / track areas will be clean before you enter the site. So we expect these areas to look the same when you leave. (This also includes marshal points around the track).

[CAMPING]

No one will be admitted to the site before midday on the Friday April 1 2016. If track grading / watering is in progress no one will be allowed access to the circuit until Sunday morning of the event for safety reasons. participate in this year's Thor British Youth Nationals from all corners of the UK including Northern Ireland, Wales, England and Scotland.

Registration for 2016 is looking really impressive and we're hoping to hit the magic 300 riders. Hydration is huge part of staying healthy at the races, our water sponsor Ice Valley supplied the riders with over 5600 bottles of water for the 5 rounds, if you break it down, riders consumed around 29 bottles each.

Bike time is what the riders love at the BYN so each rider has plenty of time to dial in the tracks. Fifteen minutes of practice followed by six blocks of racing over two days. By the time riders head home on Sunday evening most are ready for bed by the time they hit home.

YOU PROBABLY DIDN'T KNOW ABOUT THE 2015 THOR BRITISH YOUTH NATIONALS

04

Did you know that over six rounds of racing riders, staff and family members consumed around 18,000 slices of bacon which equates to 9000 extremely tasty Bacon butties. **/05**

Our 2015 Thor British Youth Nationals rider of the year was Harry Kimber. Over 600 people took part in the vote to find the eventual winner. The vote was so close we had to count it five times to make sure it was correct. 06

You guys love watching our BYN videos, in 2015 we produced over 60 Youtube features filmed by the awesome TooFastMedia and over 100 shorter clips for our social media sites. Expect even more in 2016.

Do you think you have what it takes to become the new Romain Febvre? Here is your chance to prove it! Yamaha is supporting young motocross talent by offering the opportunity of a lifetime with the new YZ125 Cup. Initiated by Yamaha and run in Europe on a national level, the winner will be awarded with a contract for Yamaha's 2017 Official EMX125 Team.

Yamaha UK is pleased to announce that it has teamed up with the **Thor British Youth Nationals** championship, making it the only championship which is eligible to score points towards the YZ125 cup. For more details, please visit our website.
